

# TRUNK OR TREAT INFORMATION

Cars participating in TRUNK or TREAT will park in our South lot in the top section farthest from the building.

- Choose a theme to decorate your trunk. Work together with friends or small groups so that several families create one trunk.
- Everyone helping in TRUNK or TREAT is also encouraged to wear a costume that is appropriate for an audience of young children.
- Judges will be choosing the best decorated trunk and recognizing it during the event.
- Offer games at your trunk and then provide a candy prize after the game is attempted. (We have over 20 games that you are able to use. You can sign up for a game at the Next Generations booth or online.)
- Setup will be from 2:00-2:45pm. If you come at 2:00 we will have inflatables that your children can enjoy before the 3:00 opening to the public.
- Buy candy to distribute as kids come around to your trunk. We are anticipating 300 kids.
- Please pass out one or two pieces of candy per child so that the supply lasts through the event.
- Be intentional engaging people from our community you may not know. This is a great opportunity for them to see how awesome the Grove family is!
- PLEASE NO blood, devils, skeleton, witches, gory, scary, or creepy creatures please. REMEMBER this is an outreach so do not be alarmed if individuals come dressed like this.

We will be offering free food during the event.
